Books

(Available from Amazon.com)

The Genesis Controversy (to be released 2015 in eBook format)

For many years, the first book of the Bible has separated the majority of mankind into two opposing camps; those who follow intelligent design by a powerful entity and those who follow scientific research that for the most part excludes the intervention of an external creative and intelligent force. Do we have to throw out the one in order to accommodate the information of the other? “The Genesis Controversy” explores this topic with a fresh set of eyes in relation not only to the Bible, but also to the scientific information presently available.

Understanding the Timeline of the Bible (eBook format)

Reading the Bible can be a major undertaking for anyone. This is especially true when trying to figure out when things occurred and the order in which to read the various books in the Bible. Fortunately, there is one and only one event from which the majority of the dates in the Bible are reconciled, the Exodus of the Israelites from the land of Egypt.

Presented in a non-denominational format utilizing references from both the Masoretic and Greek Septuagint texts, “Understanding the Timeline of the Bible” is an excellent resource and reference for anyone interested in this marvelous book we call the Bible and can be applied to any version of the Bible you may personally have.

The Book of Jesus (Hardcover and Paperback)

The Chronological Gospels of Jesus (eBook format)

Jesus Christ, who is he? His life and words have been the source of controversy, debate, and study for over two thousand years. He has been quoted and misquoted by Presidents, preachers, and individuals. Thousands of books have been written about him; explaining him, discrediting him, and praising him. Many of the greatest artists of our world have attempted to capture pieces of his life in canvas and stone. Music in all styles has been written about and for him.

The life and words of Jesus have impacted the world with such magnitude that all races, cultures and nations, Christian and non-Christian alike, have been influenced by them. Whether you personally believe or accept the Biblical record of his life and their implications does not negate the fact that our lives today have all been touched by the events depicted in the accounts of Matthew, Mark, Luke, and John.

In “The Book of Jesus” (Hardbound and Paperback) and “The Chronological Gospels of Jesus (eBook),” the events set forth in the four Gospels are harmonized into a single, chronological account in easy-to-read theatrical script format suitable for all ages.

The Instruments of the Bible (eBook format)

Did you every wonder what the instruments of the Bible looked like and sounded like? “The Instruments of the Bible” by Dennis McCorkle provides an in-depth and insightful look at the various instruments mentioned in the Bible. Presented in a non-denominational format, this reference book is a wonderful resource for both the Christian and Hebrew communities.

The Davidic Cipher (available in Hardbound, Paperback, and eBook formats)

The word “psalm” means, literally, a sacred melody. But what exactly would this music sound like in biblical times? The Davidic Cipher finally unlocks the hidden music of the Psalms, enabling these timeless works to be deciphered and written into traditional musical notation.

Presented in a non-denominational setting, The Davidic Cipher uncovers the underlying links between the words of the Bible, the Hebrew alphabet, the musical instruments of the Psalms, the name of God, and the musical system of our day. This breakthrough work opens up a new understanding and appreciation of the Bible and its music.

Where did the musical system of King David’s time originate? What are the Psalms, who wrote them, and how did they sound? What musical function do the Psalm superscriptions and the Hallelujah have? How did the Psalmists secretly encode the name of God within the melodies as a form of praise? What did the musical instruments of the Psalms look like, how were they tuned, and how were they used to play the music of the Bible?

Scholarly yet accessible to the lay reader, The Davidic Cipher unleashes a wealth of musical and vocal literature that has been hidden within the pages of the Bible for centuries. And it’s required reading for anyone looking to enrich and enhance their understanding of the Bible and the glorious Psalms.

The Prayer of Habakkuk and the Psalms (available 2015 in eBook format)

A unique exploration into the superscriptions and subscriptions found within the majority of the Psalm manuscripts in relation to the format established in the only Psalm-like manuscript found outside the book of Psalms – Habakkuk 3:1-19.

This format, established in the Habakkuk manuscript, may profoundly change our understanding of the Psalms and the manner in which they were divided into chapters and verses.

The Kings – Libretto (.pdf from SheetMusicPlus.com and eBook format)

"The King," by Dennis McCorkle, is a contemporary pop-rock musical of the first two kings of Israel, Saul ben Kish and David ben Jesse and explores the contrasting lives and outcome of each man's choices in life.

Original Cast Album (iTunes: id587023208) and Instrumental Backing Tracks (iTunes: id587310028) available from iTunes.

Words I Wrote Along the Way (eBook format)

"Words I Wrote Along the Way" is a unique and varied collection of thirty-nine works of verse, poetry, and prose by author and composer Dennis McCorkle.

About the Author

Dennis McCorkle, producer, composer, musician, and author has been a motivating influence in the music and publishing industry for over thirty years. Born in Ocean City, NJ, Mr. McCorkle's aptitude for music had been recognized early on and by his senior year in high school was teaching privately and Adult Continuing Education classes at Stockton State College.

It was during this time he auditioned for and was accepted as a guitarist in the United States Navy Band. Leaving the military he attended American University and studied with: Frank Mullen, John Marlow, "protégé of Segovia," and Dennis Sandole, with whom the legendary John Coltrane, Art Farmer, James Moody, and Pat Martino also studied.

With the advent of casino gaming in Atlantic City, McCorkle opened the first full-service recording facility in the area. In 1986, he took a position with Music Minus One/Pocket Songs in NYC, and eventually became Executive Director. Leaving Music Minus One in 1996, he accepted a position with the MTA in NYC as Assistant Director of Information Services. During this time the President of the United States ceremonial marching band premiered his composition, "The Grand Central March" at Grand Central Terminal in NYC becoming the official march of this landmark.

McCorkle has written over two hundred compositions for guitar, voice, musical theater, orchestra, and has been published by Mel Bay, Hal Leonard, Music Sales, LTD., Fingerstyle Guitar Magazine, Kimbo Educational, Warner Bros. Music, and is also listed as one of the top five hundred New Age musicians by McMillian Press -

DF McCorkle & Sons Music and eBook Publications

"The New Age Music Guide." In addition, he has written and published numerous books on the Bible including: The Chronological Gospels of Jesus, Understanding the Timeline of the Bible, The Instruments of the Bible, and The Davidic Cipher. This breakthrough work on the deciphering the Hebrew trope, seen on the History Channel's "The Naked Archeologist - in search of King David's Harp," opens up new understanding and appreciation of the Bible and its music. Mr. McCorkle presently resides in Glastonbury, Connecticut.
